Kindy Routine

After School Care:

3:10 PM: Pick up at kindy lines by two EBASCC supervisors and walk together to the hall.

3:15 PM: Roll call at the hall and mini meeting with kindies inside the hall.

This kindy routine is continued until term 3 when the kindergarten students have developed a sense of independence and understand the expectations, routines and rules of how to come to and from EBASCC in a safe manner. We encourage kindergartens to develop a sense of autonomy while ensuring the safety of our children.
